Dear Potential Donor,

The Uniformed Service Academies Holiday Ball is held each year to formally recognize and honor the choice made by young Midshipmen and Cadets from North Texas to embark upon a career dedicated to the service and protection of our country by attending one of our Nation's Uniformed Service Academies. The Ball is organized by the North Texas Coalition of Uniformed Service Academies (NTCUSA) and will be held on Wednesday, December 22, 2010 at the new Omni Hotel in downtown Fort Worth. Last year, 200 young cadets and midshipmen were honored at this formal affair, with another 600 guests in attendance, including parents, military officers, congressional aides, and other dignitaries.

To enable more of our future leaders to receive the recognition they so richly deserve and to help the mothers and fathers share in the success of their children, the Ball Committee is seeking the support of patriotic members of the community to sponsor this event. We would be honored if you could help make the 2008 Holiday Ball a success by sponsoring a table or providing other contributions. The attached Sponsorship form identifies the various levels at which you can participate. In addition to being listed as a sponsor in the evening's program, your Company name will be prominently displayed at the table and other benefits will be realized as described in the form.

The North Texas Coalition of Uniformed Service Academies Parents' Club is a non-profit organization supporting the five Federal Service Academies. All donations are tax deductible. Our federal tax ID is 20-2323344. For further information about our organization and the event, please see our website at **http://www.NorthTexasHolidayBall.org**

Your patriotic support for these young men and women who have made the choice to help defend and protect our freedom is truly needed and greatly appreciated. This is a unique opportunity for those of us who live and work in North Texas area to recognize and honor their commitment and sacrifices made on our behalf. If you have any questions, please don't hesitate to contact me.

Sincerely,

Cindy Vandament
